PROFILE

Motivated Full Stack Web Developer with hands-on experience in building responsive and scalable web applications using the MERN stack (MongoDB, Express.js, React.js, and Node.js). Passionate about creating user-friendly applications, solving real-world problems, and continuously learning modern web technologies. Strong foundation in JavaScript, REST APIs, authentication, and database management, with experience developing full-stack projects from concept to deployment.

WORK EXPERIENCE

Full Stack Web Developer Intern | Unified Mentor

Marketing Manager & Specialist

APRIL-2026 TO JUNE-2026

- Developed full-stack web applications using the MERN stack.
- Built responsive user interfaces with React.js and Tailwind CSS.
- Created REST APIs using Node.js and Express.js.
- Integrated MongoDB for database operations.
- Implemented JWT-based authentication and authorization.
- Collaborated using Git and GitHub.

PROJECTS

Sports Partner | MERN Stack

- Built a full-stack sports community platform with secure JWT authentication and role-based access.
- Developed features including community posts, comments, game management, and admin dashboard.
- Designed responsive UI and integrated REST APIs with MongoDB for seamless user experience.

Indian Heritage | MERN Stack

- Built a responsive React application to explore India's heritage and tourist destinations.
- Integrated REST APIs and developed reusable components with Tailwind CSS.
- Optimized UI for performance and mobile responsiveness.

EDUCATION

Bachelor of Computer Applications

2023 - 2026

B.D College, Patna, Bihar

Percentage: 67.6
